Architect/Project Manager

Hiring organization
Safdie Rabines Architects

Employment Type
Full-time

Job Location
San Diego, CA

Date posted
April 11, 2023

Description
Safdie Rabines Architects, a mid-sized multi-disciplined firm in San Diego, CA is seeking a qualified candidate for Project Manager with a minimum of 10 years experience working on mixed-use, civic & institutional project types.

The ideal candidate will have experience working on all aspects of complex multi-phase projects.

We offer competitive salary and benefits in a collaborative work environment.

Qualifications:

- Professional Degree in Architecture from an accredited university architecture program. Licensure or anticipated licensure, Revit Experience, and LEED accreditation is preferred but not required.

- Excellent written and verbal communication skills.

- Ability to multi-task, meet deadlines, mentor others and be a team leader.

How to apply: Please send resume, cover letter and work samples for consideration.
